Ingoldsby bridge set for demolition

Tenders have been called for construction of a new bridge across the Ingoldsby narrows between Kashagwigamog and Canning Lakes. Tenders close March 13, and the contract is expected to be awarded on March 20.

Removal of the old, one lane bridge will commence in early April, and the new, two lane structure is expected to be completed before the end of June.

Haliburton County engineer Bill Obee provided details of the proposed new bridge last Thursday at a meeting of Anson, Hindon and Minden council.

throughout the removal and construction period, Obee told Minden councillors. Details of detour signing have not yet been worked out, but steps will be taken to ensure that motorists are aware of alternate routes to and from Ingoldsby, either along County Road 18 from Haliburton or the South Lake Road from Minden, Obee said.

Only minimal interruption of boat traffic is anticipated while the old bridge is taken apart and the new box beams swung in place. Hydro service to some Ingoldsby area customers is also expected to be cut for brief periods during the construction phase, Obee noted.

The structure will be of the box beam type, two lanes wide with a pedestrian walkway on one side. New concrete abutments will be constructed to support the 80 foot structure. Existing clearances above the water will be maintained, Obee said.

The decision to proceed with the bridge was made last year, following lengthy and sometimes heated discussions between the county roads committee, county council and individual property owners in the Ingoldsby area.

While a firm price will not be known until the contract is awarded, the figure of \$350,000 has been used in discussions at the county council table.

Since no Bailey bridge will be erected, the Ingoldsby narrows will remain closed to vehicular traffic throughout the removal and construction phase, Obee noted.

The county engineer assured Minden councillors that the new bridge will not infringe on an area of sand beach on the south east side of the narrows used by area residents for swimming.

Closure of the old bridge should not effect fire protection, Obee said, since travelling distance from Minden to Ingoldsby along the South Lake Road is the same as the distance along Highway 121 and County Road 18, but he noted that residents will have to be very specific about the location of their property in the event of an emergency.

School bus routes which normally use the Ingoldsby bridge will have to be rerouted for the duration of construction, Obee said.

Deputy reeve steps down for job with municipality

Dysart et al deputy reeve Gary McKnight has resigned his seat on council to take a job with the municipality.

McKnight resigned when he was selected from 44 applicants to become a payroll and accounting clerk in the Dysart office in Haliburton.

Reeve Murray Fearrey confirmed Monday night that McKnight had accepted the job and stepped down from council. Councillor Sid Cooper of West Guilford will serve as deputy reeve for the rest of council's term, which ends in November.

The vacant seat on council created by McKnight's resignation and the change in responsibility for Cooper will not be filled by appointment or by-election, Reeve Fearrey said, since council's three year mandate has only a few months to run.

McKnight is a partner in Haliburton Marine Limited, a company which is currently being wound down after its marina and related facilities were purchased last year by other businessmen.

He has been a member of council for the past 10 years and deputy reeve since November of 1982.

Chamber picks co ordinator, planning phase set to begin

The Chamber of Commerce has chosen a co ordinator for the planning phase of the multi million dollar local employment assistance program (LEAP). Andy Campbell of Horseshoe Lake was named to the job Tuesday morning following a selection process involving more than 100 applicants.

Campbell is a graduate of the University of Guelph in economics.

He has owned and operated a business at Horseshoe Lake for the past five years.

Over the next three months, Campbell will call on area business people to assess their needs and identify employment opportunities within the county.

Campbell's office will be located in the Anson, Hindon and Minden municipal building.

With plenty of snow on the hill and hotdogs and hot chocolate waiting in a nearby portable classroom, Victoria Street School was a busy place on Saturday

during winter carnival. The 'crazy carpet rides' attracted a good many youngsters and parents, and as this picture shows, everyone enjoyed the action.

100 take part in carnival derby

More than 100 people registered for a fish derby in conjunction with the Stump Jumpers winter carnival in Gooderham on Saturday.

Participants tried their luck beneath the ice of Pine Lake, but it wasn't a day for big or numerous catches. In fact, only three fish took the bait despite the best efforts of contest hopefuls.

Dorothy Mintz had the honour of landing the largest fish of the day, while Wayne Stoughton came up with the smallest. Stoughton was also the oldest fisherman taking part in the day's events.

The youngest fisherman was four year old Ron Pettit.

Other events during the Gooderham carnival, which was sponsored by the township's recreation committee, included a snowmobile ride which got underway at 1 p.m., a chili dinner at the community centre and a dance in the evening.

A 50/50 draw also was held, and for the second year in a row the winner was Murray Bolton of Wilberforce.

Recreation committee spokesman Jane Franklin said there was "a really good turnout" for the community's carnival.

MNR seeks answers in moose death

A moose which died only one day after it was transferred to Hindon Township from a farm near Sebright has been sent to the University of Guelph for an autopsy.

The autopsy is expected to determine if the tranquilizer used to sedate the animal during the transfer was a factor in its death.

The four year old, 900 pound cow moose had wandered onto a farm east of Orillia about three months ago, and had shared fields with a herd of cattle.

Eric Mitchell, of the Ministry

of Natural Resources Minden office, said farmer Ed Amon became concerned a couple of weeks ago when the moose

Stress may have been a factor

began harassing the cattle, driving them away from a watering spot. When the moose kicked one of the cattle, cutting its leg and causing an infection, Amon asked the ministry to step in.

Staff from the Maple office

used a tranquilizer gun to sedate the animal, which was placed in a crate, given an antidote, and trucked to Haliburton County. It

was released into Hindon Township from the Vankoughnet road.

Mitchell said Minden MNR staff tracked the animal after its release and discovered that it had moved some distance and browsed a little, but subsequent-

ly died.

The animal's death puzzled MNR officials. Mitchell said the tranquilizer used to sedate the moose is commonly used for the purpose, and the animal was handled in the same way as moose which have been moved successfully from Algonquin Park to the northern United States.

Mitchell said stress may have been a factor in the moose's death, but noted that until the autopsy is completed, "we just don't know why it died."

Snowmobilers compete at Winter Carnival '85

Snowmobile racers from across southern and central Ontario travelled to Haliburton over the weekend to take part in two days of competition in conjunction with this year's winter carnival.

Conditions were perfect for the event, with plenty of snow and a smooth ice track for drag racing on Head Lake.

A total of 76 entries were received for Saturday's drag races, and a substantial number of spectators braved chill temperatures to observe the action and cheer for their favourites.

Results of the races are as follows:

400 Free Air - 1st, Mike Wilson, Omamee, Ski-Doo; 2nd, Dan Hutchings, Toronto, Yamaha. Open Free Air - 1st, Peter Pergolas, Haliburton, Yamaha; 2nd, Derrick Vessey, Oshawa, Mercury.

400 Liquid - 1st, Robin Hunt, Cavan, Polaris; 2nd, Dan Devereaux, Alliston, Polaris.

450 Liquid - 1st, C.J. Heard, Haliburton, Moto-Ski; 2nd, John Beatty, Alliston, Polaris.

500 Liquid - 1st, Rick Campbell, Orillia, Mercury; 2nd, Derrick Vessey, Oshawa, Mercury. Open Liquid - 1st, John Beatty, Alliston, Polaris; 2nd, Cliff Covenay, Cavan, Ski-Doo.

440 Fan - 1st, Bill McDowell, Haliburton, Yamaha; 2nd, Dan Hutchings, Toronto, Yamaha.

Getting set for the start

Police News

General Occurrences

During the week of February 10 to 17, personnel at Minden Detachment investigated the following occurrences: 11 motor vehicle accidents, one snow vehicle accident, and 31 general occurrences.

Snow Vehicle Accident

During the afternoon of February 16, Terrance O'Sullivan of Kingston Rd., Scarborough received a broken leg when the snow vehicle he was operating collided with a tree. O'Sullivan was treated at Minden Hospital then transferred to St. Michael's Hospital, Toronto.

Theft

Paul Hyoway of Haliburton was the victim of a theft when his skis, poles and bindings were taken from his truck on February 6. The vehicle was parked in the Red and White parking lot. Value of equipment is \$150.

Vehicles Interfering

Four incidents of motor vehicles interfering with snow removal or obstructing traffic were reported to Minden detachment over the past week. As a result three vehicles were towed away by police. OPP remind drivers that any vehicle which interferes with traffic or the removal of snow will be removed at the owner's expense by police. The registered owner may also be charged under the provisions of the Highway Traffic Act.

Jack Brezina, right, presented a certificate on behalf of Minden's Business Improvement Area to Steve and Val Loughheed last Thursday at a meeting of Minden council. The Loughheeds were the principal organizers of the very successful dog sled derby held in the community recently.

Minden to update park plan

Anson, Hindon and Minden must update its park plan if it is to get any funding from the Ministry of Tourism and Recreation, parks manager Brian Sisson told council last Thursday.

Sisson said the Ministry requires the update because part of the municipality's park land was sold for the Staunworth Court senior

citizens housing project.

Council hopes to get financial assistance from the province to develop a small wildlife park near the community centre and arena under a scheme first proposed last summer. Sisson said he has discussed the matter with Ministry officials, and they have indicated

Please turn to Page 16

Minden council

At a meeting of Anson, Hindon and Minden council last Thursday, the following matters were considered:

The students of Bernie Davis' class from Archie Stouffer Public School were on hand to observe the proceedings of council.

Jack Brezina, representing the Minden Business Improvement Area, was on hand to present a framed promotional poster to Val and Steve Loughheed, organizers of the first Haliburton Highlands Sled Dog Derby, in appreciation of their efforts. A similar poster was presented to the members of council in acknowledgement of municipal assistance in this event.

By-law 85-9, a by-law to amend Restricted Area By-law 14-67, as amended; By-law 85-10, a by-law to amend previous by-law 85-6, to adopt a formal job description for the position of Community Services Co-ordinator; By-law 85-11, a by-law to appoint a Municipal Engineer and to authorize an agreement with Northern Eagle Engineering and Construction with respect to professional engineering services; By-law 85-12, a by-law to authorize the sale of Perpetual Care Fund investments; and By-law 85-13, a by-law to authorize an agreement with Beaverbrook Golf Course Ltd. for the purpose of cross country ski trails; were given first readings and were later given second and third readings and passed.

R.C. Schell reported to council that he had discussed a Mr. Cummins' proposal to have a stop sign located on the Bobcaygeon Rd. at the Gull River Bridge with various department heads and the OPP. All parties agreed that the sign could well result in increased accidents and driver confusion. However it was recommended that the present sign boards be raised to improve visibility and that additional sand be spread on the approach to the bridge from South Water St. during the winter months. Schell will investigate the possibility of installing a convex mirror at this intersection, and will report his findings to council.

Council agreed to a request by Mrs. M. White to set up a table for publication sales during summer months on municipal property in the downtown area.

Brian Sisson advised council that an update to the existing Minden Park Plan will be required by the Ministry of Culture and Recreation before any further funding is approved. Sisson was directed to arrange for a Ministry representative to meet with council and review the criteria for such an update.

Sisson was directed to obtain firm prices for the supply of gravel for crushing during 1985 for approval by council.

Council directed Sisson to obtain further estimates for the completion of a structural evaluation of all municipal bridges for 1985 budget purposes.

Two tenders were received for office renovations. The tender submitted by Bob Beene in the total amount of \$3,125.81 for the finishing of the downstairs office in the Municipal Building was accepted.

An application will be submitted to the Ministry of Municipal Affairs and Housing Ontario

Councillors displeased at Katimavik cut-backs

Minden council will send a letter of protest to the federal government over the recently announced curtailment of the Katimavik program.

"We've benefitted greatly," councillor Gary Kenney said last Thursday, noting that the young people who have come to Minden under the program also have gained from the experience.

Kenney suggested that council should write to finance minister Michael Wilson, "with all due respect to the need for restraint," urging him to reconsider the decision to phase out Katimavik funding.

The Katimavik scheme, first proposed by former Liberal government defense minister Barney Danson, provided young people from across Canada with a chance to live and work in three communities over a year long period. Participants are paid \$1 a day, get free board and lodging, and if they complete the one year term, receive \$1000. Sponsoring communities provide work for the Katimavik volunteers in areas related to the environment.

Deputy reeve Ed Pergolas, who chaired last Thursday meeting in the absence of reeve Lyle McKnight, agreed that a letter should be written to Wilson, particularly since the federal government has also cut winter works programs "back to nothing."

Kenney said applications for Katimavik have doubled in the past year, while the number of programs has dwindled.

"The interest is there at the youth level," he said. If the government ends the program, "they'd be short circuiting an obvious need."

Councillor Dave Stevens said he felt the program has worked well in Minden, and is particularly well suited to small towns, where the participants get to know the community.

Kenney said the criticism "can rightly be made" that some communities have treated Katimavik volunteers as "free labour" and given them menial tasks to perform, but in Minden the groups have done meaningful work and developed skills in the process.

"They know certain things when they leave the community," he said.

Pergolas said some of the pressure to end Katimavik has come from labour unions who have lobbied federal authorities. He noted that Katimavik allows young people to learn something about the environment, "which is very important."

Council instructed clerk Bev Millar to draft a letter to Wilson on their behalf outlining the concerns brought up during last Thursday's discussions.

Up to us

The 1985 Haliburton Winter Carnival is over. The crowds have gone, the ice track is buried under several inches of new snow, and the community has hunkered down to face the last throes of what has become a long, cold season. But before Carnival '85 fades into a haze of pleasant memories, it might be useful to consider what was good about the weekend's activities and how the carnival might be improved in future years.

On the positive side, this year's carnival certainly was well attended. The weather was perfect and it was clear that local residents and visitors alike were looking for a reason to shirk off the more tedious aspects of winter and celebrate its good side. At every venue there were substantial crowds, whether at Saturday's snowmobile races, the Lumbermen's show, the dances, bonspiel, dinners and a dozen other events. The attendance at these events proved that they meet a definite need. And there was variety for everyone. If snowmobile races didn't appeal, there was always the Lumbermen's show. If participation was what you wanted, the carnival offered curling, skiing, hockey and a dart tournament.

Many of these events took place through a co-operative effort among the Haliburton Rotary Club, principal organizers of the carnival, and other local organizations. This combined effort is a good sign, but if the carnival is to be strengthened so that it attracts even more people and satisfies even more tastes, co-operation between the Rotary Club and community groups will have to be enhanced.

A public meeting might be the ideal place to lay the ground work for an even better carnival in 1986. With so many organizations working within the community, there must be many good ideas which have not yet had an airing.

What the carnival appears to need, more than anything else, is more vigorous participation from the public for whom, after all, the carnival is staged. Aside from the snowmobile races, which are a rather specialized event, there is little in which a visitor to the community could become involved without prior planning. The Lumbermen's show was intended to be open to everyone, but in fact there have been a great many spectators and very few participants. Chainsaws and cross cut saws are tools that very few carnival-goers appear willing to handle. So while the show is entertaining, and certainly has a place in future carnivals, something else will have to be offered to encourage more participation.

If a public meeting is held, everyone who attends will have to come up with a specific idea. That way, organizers will have positive suggestions to incorporate into next year's carnival.

The carnival belongs to the community, and it is up to the community to ensure that it grows and improves. The Rotary Club has done just about all it can to see that Haliburton has a winter carnival. The rest is up to us.

Inevitable

It's been a long time coming, but by late June, there should be a new bridge across the narrows in Ingoldsby. Haliburton County's roads committee has approved final drawings for the structure, and tenders have been called.

The bridge will not be cheap to build, and even now there are people in the immediate vicinity who oppose it, preferring to see the old structure repaired. That, however, would have been merely deferring the inevitable. The bridge is needed, and council has shown good sense by choosing to have it built now rather than later, when it would surely have cost a great deal more.

Sleigh riding at the Carnival

Photo by Len Pizzev

Letters to the Editor

Keep the old bridge, reader says

To The Editor:

Thanks to a notice by Haliburton County which appeared in one of our much valued local weekly newspapers we have until March 1 to comment on, or to object to, a brand new and much worse design for the proposed Ingoldsby Bridge.

Yes. We won the first round by some lucky chance and a few wise heads at county council. They have raised the bridge so it will look a little less like a large letter slot when you approach it in your motor boat. They have consented to keep the existing clearance under the bridge.

However, the new concrete monster would reduce the effective span of the bridge from about 80 feet to about 60 feet. The new design would move the bridge much further south than the rejected design and thus wipe out completely 65 feet of fine sand beach in the middle of Ingoldsby. This part of the bridge approach will be banked with rocks of a minimum foot-and-a-half in diameter piled up in what the engineers call "random rip rap". This will bury the existing beach.

This random rock pile spills out well into the present navigation channel which follows the east side of the Narrows at this point.

The road alignment off the east end of the bridge moves well into the front yards and row of mature pines along the road on the south side of the hamlet. I have an axe to grind. I admit it. I own part of this property.

Anyone who shares a concern for the beauty and safety of the Highlands has until March 1 to write to the Federal government under the Navigation Act. There is no deadline to complain to county council. Just call your reeve up and ask him to follow the inexpensive, low-tax and perfectly safe route already validated by engineering consultants for the county. That is, fix up and maintain the existing bridge.

Murray Fearrey told county council when this issue was being debated that a new bridge is needed to facilitate gravel trucks and cement mixers. It's easy to see where the reeve's heart is.

I say the old bridge, restored and repainted would not only save about a quarter of a million dollars in tax money but would be a better structure to serve and attract our tourist industry clients and preserve the environmental beauty that tourists come to Haliburton to see and enjoy.

The new design is worse than the one county council turned down.

Yours truly,
Joe Curtin
Toronto, Ont.

To The Editor:

I have been requested by the Haliburton County Farmers Association to draw your attention to the fact that February is 'Meat Awareness Month'.

This promotion is designed to assist the Canadian food producers in a co-operative marketing format. It is also an effort to inform the consumer on this particular sector of food production.

As a farm organization we wholeheartedly endorse the 'meat awareness' undertaking, and request your consideration for some mention of this promotion in your newspaper. Thank you.

Sincerely,
Ernest Hills
per Haliburton County Farmers Association

To The Editor:

The suggestion by the Haliburton Board of Education that the senior students should be given a holiday from school during the hunting season can only be characterized as obscene.

There are many off-campus activities that might be considered as furthering the education of students. Certainly, music, theatre and the visual arts, are possible reasons for allowing students to miss a day's schooling. The writer would also consider that seminars on the environment and nature field trips could also be included, but to give a student a holiday so that he can indulge in the so called "Fun Sport" of killing animals, is an incredible insult to the intelligence.

Please turn to Page 5

Feir Play

Creighton Feir

The 1985 Haliburton Winter Carnival is now history. All the events on the programme are over and the financial results are in. I think that the time has come that the organizers took a good hard look at the Carnival programme and see just what changes can be made and what can be done in the future. A great many people are of the opinion that the Haliburton Winter Carnival is starting to show its age with the same old programme year after year, with very little if any change in the annual events. We can't do anything about the past but we can do something about the future. It would appear that the annual winter event is starting to lose its appeal with fewer people coming back each year and attendance at many of the events is starting to go down hill. If we are to continue to have a winter carnival, many changes will have to be made and many new innovations and attractions inserted into the line-up. The question remains as to just how much longer we can go on with this same old worn-out programme. The Rotary Club of Haliburton and others who help each and every year are to be commended for their fine efforts in the past but it seems to me that we are at the crossroads and before another year some serious problems will have to be faced. I would like to see the Rotary Club still spearhead the big event but let's go out and get the community involved in one way or the other. It is impossible for the Rotary Club of Haliburton to operate a carnival of this size that is spread out over a large area with their membership of 50 or 60 members. They need some help. If each organization in town would look after an event it would mean that the work load would be spread around and we could put on a much bigger show. Some people I have been talking with during the past week have come up with some good ideas and they say that they would like to see a meeting called as soon as possible so that anyone in the community could come out and air their views on the matter. We all have to agree that we need some new events but don't you think it's about time that we brought back a few of the old activities such as the torch light parade, the giant bonfire, and the Saturday afternoon parade? I haven't got all the answers but possibly there are people out in the community who have.

It is most gratifying to hear that Anson, Hindon and Minden Reeve Lyle McKnight is progressing slowly but surely in hospital. I always enjoyed dropping into Haliburton Marine Limited and having a friendly chat with Lyle on every subject from politics to sports. We join with his many friends in wishing him a speedy recovery and hope that it won't be very long before he is out and about again.

Congratulations to Mr. and Mrs. Vance English who celebrated their 35th wedding anniversary on Monday, February 11.

Constable Tim Bain, son of Mr. and Mrs. Royce Bain of Haliburton, who is presently stationed at Portage La Prairie, Manitoba, left on Monday following a vacation at the home of his parents.

In October when it was decided that the Haliburton Huskies would be unable to ice a Junior hockey team due to the lack of players many boys from this area decided that if they wanted to play hockey they would have to look around and see if they could catch on with a team somewhere in Ontario. The two Newell brothers from Minden, Colin and Greg just finished a successful season playing for the Lindsay Trent Muskies. Dave Nicholls is still playing with the Orillia Travelways and Kevin Warburton ended up the season with the Huntsville Hawks who were eliminated from further playoff action last week when they were beaten in the seventh game against Parry Sound. Four Haliburton boys, Scott Mitchell, Kelly Mitchell, Mike MacNaull, and Drew Bishop, played this past winter with Gravenhurst in the Georgian Bay Junior "C" League. Many local hockey fans have been disappointed this past year with the absence of Junior hockey at the Haliburton arena and it is hoped that come next season the Huskies will be back in action.

The final race in Sir Sam's Ski Challenge with over \$2,500 in prizes will take place this coming Sunday, February 24 at Sir Sam's Ski Area at Eagle Lake. Over 75 skiers have qualified for this race with the grand prize of \$1,000 up for grabs. So come on out and watch the races and cheer your friends to victory.

I was informed on Monday that 20 snow buntings are at present lingering in the bird yard which is located in front of the Les Haas residence at Tory Hill, Ontario.

It wasn't very long ago that the members of Dysart council decided that it was just about time that they put a stop to the problem of dogs running at large. They threatened the owners who were not keeping their pets tied up with stiff penalties. Well it seems that some owners still haven't received the message and their dogs are seen running around the village of Haliburton morning and night. If we are going to pass by-laws and threaten with stiff penalties, well then let's make sure that the said by-laws are enforced.

From the Chamber

Economy still at risk, Chamber says

As part of its presentation to the Ontario cabinet - to be made in the early months of 1985 - the Ontario Chamber of Commerce has been developing its own economic forecast. Despite generally sluggish economic activity around the world in 1984, Canada's economy had a moderately successful year, notes the Chamber document. The explanation for this lies, of course, with the strong economic recovery of the United States. The Chamber's forecast, as it stood in early December of 1984, saw indications that the U.S. economy will slow at a manageable pace.

Although its 1985 performance may be satisfactory, sustained growth in the American economy cannot be certain, at least until some basic problems are solved: high real interest rates, the large federal deficit, the trade deficit and the high value of the U.S. dollar.

Consumer Spending

In Canada, consumer spending has strengthened significantly, and the trade sector has shown improvement. Although the automotive industry has been largely responsible for Canada's economic growth in the last year, the strength of that industry has not generally been reflected in other sectors of the economy, notes the Chamber. Sectors of the Canadian economy that are sensitive to interest rates - housing and non-residential construction, for example - have developed little momentum. Since the beginning of the recovery, real business investment in plant and equipment in the United States has increased by 26%. In Canada, by contrast, it has increased by only 2% and is still 21% lower than it was in

1981. On the inflation front, improvement is due, at least in part, to wage settlements coming into line with price stability.

Unemployment Rate

Unfortunately, the Canadian economy has not exhibited sufficient strength to dampen the unemployment rate: the Chamber does not expect significant changes in 1985 in this area.

According to the Chamber, higher business investment levels are necessary before economic recovery is strong enough to make a dent in the unemployment problem. Business investment, however, has been deterred by the high real interest rates. Some growth is expected in business investment for 1985.

Major Risks

The Chamber sees the major risks for 1985 to be similar to those for 1984. A renewal of the wage and price spiral that preceded the recession is possible. Recovery in capital spending may continue to be frustrated by the level of interest rates. And the manufacturing sector may suffer permanent damage because of the relatively high value of the Canadian dollar. The strength of the auto industry allowed Ontario to lead the way as economic growth brought this country out of the recession. An auto sector in 1985 that remains stagnant will leave Ontario in a disadvantaged position, warns the Chamber.

Report from Parliament

By Bill Scott M.P.

New summer job program ready

On February 6, the Hon. Flora MacDonald, Minister of Employment and Immigration, and the Hon. Andree Champagne, Minister of State for Youth, announced a \$205 million summer employment program for students which will create up to 95,000 jobs this summer.

Challenge '85 is designed to provide career/learning-related summer employment for young people moving through the educational system. The program is divided into six components which are:

1. Summer Employment/Experience Development (\$163 million): The Canada Employment and Immigration Commission (CEIC) will provide incentives in the form of wage subsidies to stimulate the creation of incremental, career development opportunities for students. First priority will be given to jobs providing:

Career/Study Related Experience and Training: The private, municipal and non-profit sectors will be challenged this summer to create additional openings for students to work at tasks that are clearly related to their course of studies

and/or career plans. Opportunities will be open to secondary students enrolled in vocational streams as well as to post-secondary students. Proposals from employers will be processed on a "first come, first serve" basis.

Second priority will be given to jobs providing: Practical Work Experience and Learning: These assignments will provide students with the opportunity to gain valuable work experience aimed at preparing them for their future labour market participation. Application forms for this program will shortly be available at the Employment Development Branch Office of Employment and Immigration Canada or Canada Employment Centres/Canada Employment Centres for Students; forms may also be available in provincial government offices, particularly in those provinces where joint federal-provincial programs are operating.

2. Student Entrepreneurs (up to \$30 million in loans; up to \$7.5 million in actual cost): The

More on the Bovey Report

Bovey Report (Continued)

The New "Intermediary Body" (IMB) and the New Northeastern and Northwestern University Committees: The IMB will advise the Minister on all matters of policy, including funding, and would be consulted before any major policy decision. All advice should be made public. Only qualified people should be appointed to the six-person board, including: two active academics recommended by the Council of Ontario Universities, and three people from labour, management or the community, one of whom has experience as a University Board Chairman or Chancellor. The Chairman should be full-time and have university experience.

The IMB should have high quality staff and should have a clear, detailed mandate set out by Order-in-Council.

The Northeastern and Northwestern Committees should provide special advice to the Minister and the IMB.

Federal-Provincial Co-operation: a ratio for Established Program Financing transfers re post-secondary education to be agreed upon.

The Federal Government to consult with the IMB before providing any awards or grants to individual universities.

The Federal Government to subsidize the differential portion of visa student fees, up to five per cent of total enrolment, for about \$25 million.

Policy Recommendations: Quality is the highest priority. Special and greater emphasis is to be placed on research ability. Enrolments will peak in 1990-91, with a total eight per cent increase over 1983-84. (This information is contrary to

Question

Should animals be used for research?

By CATHERINE DENHOLM

The freeing of animals from medical laboratories has caused concern, not just for people's safety, but concern about whether or not animals should be used in this way. Is it right to make animals suffer to alleviate the suffering of humans?

Raising cattle for food is not considered to be the same thing, the difference being that cattle, supposedly, are enjoying life until they are slaughtered. The fact that cattle are kept in small feedlots to cut down on their exercise so their meat will be more tender and the fact that they are killed at the time that they are most healthy does not seem to be a great improvement over life in the laboratory. Chickens are kept in small cages and killed as soon as their best egg-laying days are over.

Some of the trouble with animals and medical research is that there can be animals involved which are of the same kind as most of us have for pets. Seeing a picture of an animal hooked up to a machine will make someone imagine their own dog or cat in the same situation. On the other hand a person with an incurable disease will see the same picture as a reason for hope.

The animal rights people who object to any animals, mice, rats, monkeys as well as cats and dogs being used in medical research would do well to explain and discuss their ideas rather than break up important experiments. What is right and wrong in this issue is not clear.

Animals kept for research are usually better treated and better cared for than animals raised for food, but there is a greater problem underneath somewhere. Do we have the right to use animals in every way for the good of people?

of both the students and their parents.

Furthermore, if the writer's sources are correct, such an action is both illegal and ultra vires the Board's authority. It seems also a legal possibility that such an action by the Board could result in the withholding of school taxes by anyone who might find such actions offensive.

In any case, the legal and moral implications of any such offensive action on the part of the Board, should given them pause to reflect deeply before they involve themselves in a legal mess.

Sincerely,
H. Michael Collins
Goderham, Ontario

P.S.: A copy of this letter has been sent to the Minister of Education for the Province of Ontario.

Locals edged out for darts title

Haliburton area dart players defended their honour in the third annual International Dart Tournament at the Haliburton Legion on Sunday, but when the last dart had found the mark the men of Deadman's Cross, England emerged the winners, four games to three.

Competition went on throughout the afternoon to determine who would represent Haliburton when the long distance call was put through to the pub in England where seven men also stood by for the competition.

More than a hundred spectators were on hand to view the action, and silence reigned as the tension mounted in each of the seven games.

In the end it was the Englishmen who got the edge, winning four games, while Haliburton's Gordie Vincent, Jack Morrison and Jack Briggs took their matches.

Participants expressed special thanks to Mark Brohm for his donation to the tournament.

The event is expected to take place again next year during winter carnival, and with England now holding a two to one edge in overall victories, local players will be looking to even the score.

Hartwick over Lumber for tournament title

Hartwick Construction of Minden defeated Haliburton Lumber 3-0 in the final game to take the overall championship of a one day men's hockey tournament in Haliburton on Saturday.

Hartwick had the edge throughout the day, and was never hard pressed to come up with a win. In the consolation round of

the eight team tournament involving teams from the Haliburton and Minden recreational leagues, the Rockcliffe squad were decisive, 6-2 winners over Floyd Hall Insurance.

The opening game of the tourney was a close one, and it took an overtime goal for Curry Motors to edge out the Rockcliffe 5-4.

In the day's second match, Hartwick rolled over Bishop and Wilson 9-6.

The third game saw Emmerson Lumber double Floyd Hall 8-4, and in game four it was Haliburton Lumber edging out Vasey Insurance 3-2.

The consolation side saw the Rockcliffe defeat Bishop and Wilson 7-2, Floyd Hall take Vasey 7-3, and the

Rockcliffe win the title from Floyd Hall.

On the championship side it was Hartwick over Curry Motors 8-5 and Haliburton Lumber over Emmerson Lumber 3-2 in overtime, setting the stage for the final confrontation in which Haliburton Lumber was blanked by Hartwick.

The winning teams received cash prizes.

Midgets lead in best of five

Haliburton Midgets have taken a two to one lead in their best of five playoff series against Fenelon Falls.

Haliburton won handily in the first two games in Fenelon Falls last Wednesday and Friday, but faltered Saturday night before an enthusiastic hometown crowd.

In game one last Wednesday, Fenelon opened the scoring but Haliburton replied with five in a row before Fenelon notched two more in a 5-3 losing cause.

Scoring for Haliburton were Erin Nicholls from Glenn Hall and John Burton, Tran LaRue from Corey McKnight and Ian Cooper,

Cooper from LaRue, Tom McLeod from McKnight and Andrew Burk, and LaRue from McKnight.

It was a relatively clean game, with both sides sitting out 16 minutes in penalties.

In game two Haliburton exploded for eight goals while Fenelon, despite the home ice advantage, managed only four markers.

Mike Blake opened the scoring for Haliburton with help from McKnight and McLeod, but in the second period, Fenelon replied with two goals. Ian Cooper then scored unassisted to tie the match, and with a little over three minutes left in the

period, LaRue connected from Blake and McLeod to put Haliburton back on top.

Fenelon got another tying marker with 32 seconds left in the period.

In the third period, however, Haliburton came out flying and took a three goal advantage, as Cooper scored from Paul Kuno and McLeod, LaRue tallied from Jeff Popple, and McLeod notched one with help from Hall.

Fenelon got one more to make it 6-4, but LaRue completed a hat trick with 3:45 remaining and John Wells got one with 45 seconds left, aided by Popple and McKnight to ensure an

8-4 win and a two game advantage in the series for Haliburton.

On Saturday night the local boys hoped to wrap up the series, but it wasn't to be. They were off their game and went down to a lopsided, 9-3 defeat.

LaRue got two of Haliburton's three goals, while Jeff Popple got the other.

The series was scheduled to continue on Tuesday night in Haliburton. If a fifth game is necessary, it will be played in Fenelon on Thursday.

Local skier

a top competitor on school circuit

Local cross country ski trails became a training ground over the weekend as members of the Trinity College School Nordic ski team stayed at Wig-A-Mog Inn and practised on the nearby circuits.

The Trinity College School team, from Port Hope, is one of the leading contenders to win the OFFSA, all Ontario championship in cross country skiing this Thursday and Friday in Ottawa. The school's junior team has had a successful season to date, winning various finals, including firsts at COSSA, the Kawartha Nordic Ski Championship and the ISAA.

Their second leading skier is Eion Finn of Haliburton.

The rink of Wendy Rendell, Dennis Drinkwalter, Barbara Peel and Bill Harrison were the top three game winners in the PineStone Inn bonspiel in Haliburton over the weekend. Glen Blair, right, presented the trophy on behalf of the Inn.

Bobcaygeon rink wins spiel

The sixteenth annual Haliburton Winter Carnival Mixed Bonspiel, sponsored by PineStone Inn, was judged by organizers to be a great success. Many of the same curlers return each year and good friendships have been made with these people from Bobcaygeon, Peterborough, Whitby, Brampton, Orillia, Guelph, Oakville and Elora.

The top three-game winner was Bill Harrison, skip, and his team of Barbara Peel, Dennis Drinkwalter, and Wendy Rendell of Bobcaygeon.

The second three-game winner was Bob Collier and his team of Jean Collier, Grant Wallace, and Terry Hartwick of Haliburton.

The third three-game winner was Derry Wilford

with his team of Marg Wilford, Les Hills and Betty Mills of Haliburton.

High two-game winners were the teams of Bob MacNaull of Haliburton, Mike Wilder of Toronto, and David Schellenberg of Haliburton.

The high one-game winner was the team of Morris Anderson of Bobcaygeon.

Phyllis Woodcock, chairman of the Bonspiel, expressed her thanks to PineStone Inn, her assistant Bernice Scott, drawmaster Bob Collier, and many others who helped to make the spiel a success. She also extended thanks to Jack Naylor of Jack Baker Distilleries, Marg Wilford, Ann Hopkins and the Bank of Montreal who donated special prizes.

Murray Eastwood and Don Popple

Ottawa skier wins GS race

Murray Eastwood of Ottawa was the overall winner of the Curry Motors giant slalom held at Sir Sam's ski area on Sunday.

Eastwood completed the course in 28.2 seconds, earning the \$100 top prize and the Curry Motors trophy presented by Don Popple.

Winners in other categories were Erin Finn of Haliburton, Matthew Creelman of Haliburton, Kathleen Clarke, Al Chambers, a cottager, and Lyn Waslyk, also a cottager.

On Saturday, Sir Sam's hosted its annual Ski-nanigans day, awarding prizes for the skiers sporting the best costumes. Ross Sturgess of Fenelon Falls was the winner, with second prize going to D'Arce Newman and third prize awarded to Vick Smith of Toronto.

Honourable mentions in the competition included Robin Albright of West Guilford, Chad Osinchuk of Halls Lake, Kristie Newman, and Hank Waslyk.

There'll be more competition at Sir Sam's this Sunday as 75 skiers vie for the \$1000 top prize in the \$2500 challenge race.

'The Greatest Show on Ice' delights

Skaters displayed their skills in two part program that capped months of effort. And the result was worth it.

The Greatest Show on Ice came to the Haliburton arena on Sunday afternoon, complete with dancing poodles, monkeys, showgirls, musclemen, tigers, lions, clowns and all the other trappings of a circus, including a large and appreciative audience.

The show, staged by the Haliburton Figure Skating Club, capped weeks of practice and many hours of work by club supporters, who created dozens of impressive costumes for the more than 60 skaters who took part.

A circus band led off the afternoon's presentation with a colourful display of ensemble skating. Members of the band were Sabrina Pringle, Heather Bailey, Andrea Black, Angela Scott, Michele Simms, Teresa Scheffee, Sonja Fluegel, Karissa Baker, Lauren Wilson, Cheryl Smith, Angela Brown and Andrea Wilson.

Two solo numbers followed, featuring Kathleen Sauve and Karen Elstone.

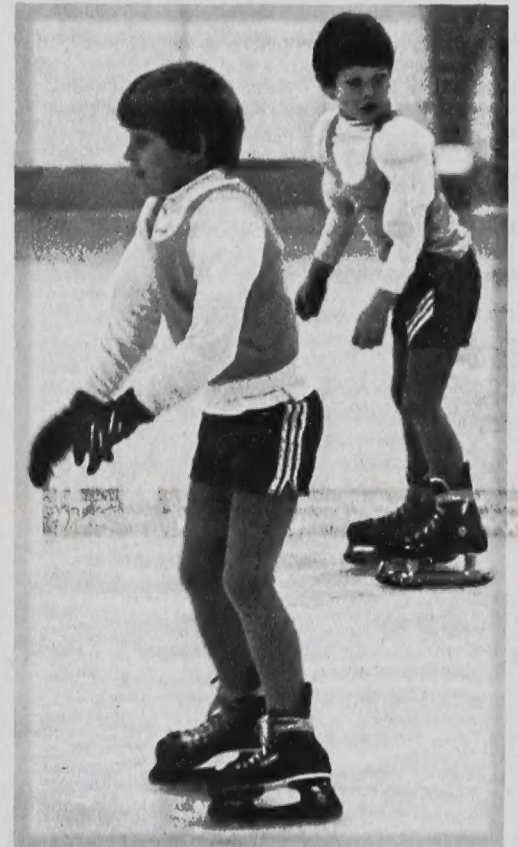

Next to take to the ice were the dancing poodles, an endearing group made up of some of the club's youngest skaters: Courtney Wilson, Kailey Hartwick, Taryn Woolsey, Carolyn Ratz, Alison Robertson, and Lorinda Jones. Feature skater for this number was Cheryl Smith.

The poodles were followed by some furry red monkeys - Amy Wood, Amanda Duncombe, Todd Hoare, Sean Irvine, Andrew Madill, Brian Hewitt

Monmouth Curling

Valentine spiel a big success

The most successful bonspiel in recent memory was held on Saturday, February 16 at the Monmouth Curling Club, Wilberforce. The first annual Ladies Valentine Spiel drew entrants from Toronto, Oshawa, Bancroft and the far reaches of Lake Kamaniskew with the high two game winner being a bevy of beautiful Bancroft VON nurses skipped by MCC's own Judy Hogan (of Hogan's Heroes fame) with vice Kim Higgins, second Shirley Caverley and lead Phyllis Clear. Runner-up two game winner was Jo-Ann Olszewski, vice Ladonna Smith, second Alice Poulin and lead Lorri Heath. In third spot was "Mar's Marvels" (Marlene Watson), with fourth place taken by "Rooty's Tooties" (Ruth Strong in her first skipping attempt), followed by the Bank of Nova Scotia "Scampers" (skipped by Gerri Waugh), "Berta's Birdies" (Roberta Walsh), "Betty's Beauties" (Betty Luckasavitch), and "Debbie's Darlings" (Debbie Nicholson).

Part of the attraction appeared to be that the ladies were catered to throughout the day the macho mountain men of Monmouth, on and off the ice. They enjoyed being waited on, hand and foot and the meal was delicious, judging by the very few scraps that were left and the comment of one lovely lady who said, "the veggies were done to perfection."

It was just one small way for the men to say thanks to the ladies who cater to them most of the year and there is little doubt that this bonspiel will be a most welcome and popular annual event.

In Mixed League play, Chuck Lindsay provided the most excitement with an extra end 6-5 victory over Dennis Fiddler, thereby snapping the Fiddler rink's winning streak at nine games. In other action, Dave Nicholson downed Chester Gadway 8-5, Dan Denault defeated Clem Peters 9-5, Roberta Walsh rallied to her most cherished win of the season with a 7-5 victory over the Mark Smith rink, Roger Hogan clobbered Don Fevreau 9-4 and Jack Watson downed Bill Smith 8-6. The Berning-Lanigan confrontation had to be postponed due to illness.

Current standings are: "A" Division - Roger Hogan, 163½ points; Don Fevreau, 151¼ points; Fred Berning, 148¼ points; Gary Lanigan, 128¼ points.

"B" Division - Dennis Fiddler, 155 points; Chuck Lindsay, 154 points; Jack Watson, 146 points; Clem Peters, 139¼ points; Bill Smith, 112¼ points.

"C" Division - Dave Nicholson, 137 points; Chester Gadway, 126½ points; Roberta Walsh, 120 points; Dan Denault, 119¼ points; Mark Smith, 101 points.

The Tuesday Night Ladies League was postponed due to the heavy snowfall and dangerous driving conditions last week.

In the Thursday Night Industrial League action, the power struggle between the Bernings and the Hogans carried over from the Mixed League when Berning Construction met Hogan's Harvesters and the "Hogan Hex" continued as the Berning rink suffered their first defeat of the season by a score of 8-5 thereby relinquishing first place and giving the Golden Ponders a bye in the first round of the playdowns to determine the league winner. The Ponders regained top spot with a come-from-behind 7-5 win over Barr's General while Elephant Lake Lodge edged the Legion 7-6. Tomorrow night, second place Berning Construction takes on third place Barr's General; fourth place Elephant Lodge tackle fifth place Hogan's Harvesters and sixth place Wilberforce Legion meet seventh place Martin Lumber.

Second highest three game winners in the PineStone spiel was the rink of, from left: Grant Wallace, Jean Colliver, Bob Colliver, and Terry Hartwick.

The third place team, and also three game winners at the Pinestone Inn bonspiel which concluded Saturday evening was the rink of Derry Wilford, Les Hills, Marg Wilford and Betty Mills.

Bishop and Wilson battle, Motormen overwhelmed

Bishop and Wilson gave Emmerson Lumber a run for their money in men's league hockey Monday night in Haliburton. The surveyors were

down 5-2 with less than nine minutes to go in the third period, but they battled back to within one goal before time ran out.

Emmerson Lumber took a 2-0 lead before the half way point of the first period on goals by Geordie Vincent and Kim Emmerson.

Greg Bishop replied for Bishop and Wilson, however, and in the second period, Bob Woodcock notched the tying marker for the surveyors.

Emmerson moved back in front at 9:01 of the second

period, and added two more in the third before Guy Ramsey and Woodcock narrowed the gap to a single goal with 1:11 left to play.

Time was not on the surveyors' side, however, and they had to settle for the loss.

In the night's second game, Haliburton Lumber hammered in eight goals while Curry Motors failed to connect for any.

Scoring for the lumbermen were Dwight Sisson with four goals, Dean Curry with three and Steve Cooper with one.

Atoms outscore Cannington club

The Haliburton Atoms played Cannington at home Friday and in Cannington on Monday night and won both games by the same score, 11-1.

On Friday night Chad Bain had three goals and three assists, Greg Brohman two goals and three assists, Chris Greenfield two goals and one assist, Mathew Williams two goals, Jeff Black one goal and one assist, Derek Wilson one goal, Greg Stamp and Mike Billings one assist each.

Cannington scored with one second left in the game.

On Monday night, Derek Wilson had three goals and two assists, Greg Stamp two goals and four assists, Jeff Black four assists, Mathew Williams one goal and two assists, Chad Bain two goals, Jason Casey one goal and one assist, Reid Elstone one goal and an assist, Chris Greenfield a goal and Paul Hewitt had one assist.

The local boys play at home this Friday night with Beaverton providing the opposition.

Skaters bring circus acts to the Dysart arena Sunday

from page 7

and Krista Brown - along with featured skater Angela Scott.

No circus would be complete without showgirls, and in Sunday's presentation the roles were filled by Jennifer Brydon, Ursula Beachli, Stacey Russell, Jennifer Whiteway, Kristi Sauve, Tammy Fair, Joanne Smith, Jennifer Smith and Sherry Whiteway, along with the solo skating of Sonja Fluegel.

Rounding out the first half of the program were Tanya Easton as Miss Show Biz; Joshua Brown and Jeremy Scheffee as the musclemen; Kerrie Martin skating a solo called 'Circus Delight', Kendra Curry and Tanya Easton as the balloon sellers, and the dynamic and polished presentation of guest skater Lisa Carr from the Minden Figure Skating Club.

The second half of the show featured nine more solo and ensemble numbers, as well as a grand finale that included every skater who took part in the show.

Those who skated in the second half of the show were Lianne Scheffee as the fortune teller; Melissa Rowell, Stephanie Sales, Nicki Fluegel, Erin Turner, Ainsley Heyes, Trang Bui and

Jennifer Turner as the tight rope walkers, along with the solo performance of Ursula Beachli; Noelle LaRue as the Queen of the high wire; Danielle LaRue as the bare back rider; Kelley Heyes and Tricia Bain as Tigers, along with Eliza O'Neil in the featured role; Jennifer Debes, Teresa Madill and Sarah James as Lions, with feature skater Jennifer Brydon; Jodie McKnight as the Lion Tamer; Tobie Rowden, Sajo Longworth, Katrina Robinson, Jennifer Scheffee and Tanya Rowden as the Clowns; and the closing chorus of Jodie McKnight, Kathleen Sauve, Noelle LaRue,

Danielle LaRue, Tanya Easton, Lianne Scheffee, Karen Elstone, Tracey Popple, Kerry Martin, Kendra Curry, Cheryl Ann Russell and Eliza O'Neil.

At the close of the programme gifts were presented by the skaters to club instructor Gay Tennant, club president Arlene Scheffee, and guest skater Lisa Carr.

Stuart Baker acted as M.C. for the show. Balloons were donated by Stedmans, Haliburton and the helium to fill them by Oxy-weld of Lindsay.

Shall We Dance?

I love to go dancing. I really do. Not just your waltz, or your two-step either. I like to get down, rock-n-roll, do the twist, jitter-bug, boogie-woogie DANCE! The problem is that I just don't often get the chance. Why, the last time I did any real dancing, was about this time last year. Which probably accounts for the fact that I'm in such exquisite pain at the moment.

We got home at 2 a.m. How the old man and I managed to stay awake that long, in the first place, I'll never know. It took me about fifteen minutes to relax, and unwind before I zonked out for the night. The next thing I knew, I had one eye opened, and was thinking to myself, "Oh, oh, it's light out!"

We were in trouble right off, 'cause light meant it was getting on to seven o'clock. That's when Ed had to be back up on the hill, to work. I unsnuggled myself from the pile of covers, pillows and the cat sleeping on my legs, and got out of bed. I made it to my feet on the second try. My knees were locked. I felt like the tin man in The Wizard of Oz, before he got his shot of oil. My joints cracked, my feet ached, and my back wasn't quite straight. But I found the clock. Ed had five minutes. He wasn't too concerned. After all, that's where the party was. The only one who was apt to be there bright-eyed and bushy-tailed was the plumber.

Ed got out of bed. I was pleased to note that he was walking funny too. He stumbled into his long-johns, and flannel shirts, threw some wood in the furnace, grabbed his outer-wear, and left. I figured I had forty-five minutes before the chickens had to be fed. Bed looked so good, I gave in to it, and got into it.

The dog had to go out. Life and all its mundane chores must be faced. I guess it's a good thing we don't boogie too often. Our middle-aged bodies can't take being treated as though they were twenty. I think arthritis is setting in. Maybe an epsom salts bath would help.

But it was a good time. Even though I was too late for the delicious stew. There were lots of fun friends. Dance partners who could, and some who couldn't, and nobody cared. We rocked with the young, and rolled with the not-so. Sang, kicked up our heels, and forgot everything that went wrong that day.

My partner, Terry, and I even almost won the dance contest. I wonder where the next party will be. And you can stop laughing anytime now, Michael.

100th birthday

Kathryn Daniel, a resident of the Hyland Crest senior citizens home in Minden, celebrates her 100th birthday this Wednesday, February 20.

Mrs. Daniel has been a resident of the home for the past year.

She was born in Cobocok and later moved with her parents to Fenelon Falls, where she resided until 1950. She moved to Minden in that year and purchased the Oasis Restaurant. Ten years later she sold the Oasis and purchased the Cameo Restaurant.

She retired at the age of 87. Her daughter, Irene Miles, is a resident of Minden. She also has a son, Jack Daniel.

Ted Carson demonstrated the fine art of spinning wool into yarn at the Rails' End Gallery on Saturday. A number of local artisans were on hand at the gallery to give visitors information on a wide range of crafts.

Smoking pushes death rate up

The death rate for lung cancer in Canadian women is on the rise. "In fact," says Dr. Ainslie Gray, Medical Director of the Victoria/Haliburton Lung Association, "it is by far the most important female cancer with regard to increasing mortality rates. In relation to the other leading cancers, it has risen from ninth position in 1965, to second position in 1981. (Breast cancer is currently in first position). By the year 1987, lung cancer will become the leading cause of cancer death for Canadian women."

Why the rapid increase? "The answer is simple," says Dr. Gray, "smoking!" Women began to smoke in great numbers after World War II and the epidemic of lung cancer evident in the male population in the 1950's is now being repeated in the female population.

But in the midst of this growing concern there is good news - smoking is on the decline. If you are a

smoker who wants to quit, the Victoria/Haliburton Lung Association can help you kick the habit.

They urge you to call them, and ask about Freedom from Smoking in 20 days, or the new group program.

Daisies take bowling lead

In the fourth game of the third series the Daisies have taken over the lead by one point over the Asters 18 to 17. The Petunias and Marigolds are tied at 14 points. The Forget-Me-Nots have 12 points and the Roses have 9 points.

Harry Henderson with 343 and Ev Stata with 316 have the high single flats to date.

Garnet Fagan with 716 and Joan McKay with 804 have the high triple flats to date.

Games 200 and over were bowled by: Ev Stata, 237, 238, 643 triple; Phyllis Mac-

Duff, 214, 602 triple; Sandy Barr, 216; Sybil Hunt, 257; Norma Hodgson, 202, 205; Iris Meredith, 300, 682 triple; Joan Brown, 233; Audrey Fountain, 251; Lois Whitaker, 203; Loretta Henderson, 218, 229, 614 triple; Darlene Fearney, 211; Kay Barry, 217, 230, 621 triple; Mima Burwood, 220, 244, 648 triple; Lew Brown, 210; Bill Juby, 235; Cathy Juby, 205.

Three bowlers are going to zone finals in Lindsay on Sunday. Kay Barry, Vera Fader and Dorothy Baker.

Senior League

By BERT HARRISON

Dear readers: Since I penned my last lines to you, I have been taken with a bad dose of the flu. There are many others in the same boat, so we're going to keep on rowing and try to keep afloat.

I was sorry to miss the chapel service Sunday night but I just wasn't able. I could hardly get to the dining room table.

There was lots of activity around here this weekend, which was just fine, relatives coming and going nearly all the time. Marjorie Shyler had a birthday this 12th February day; congratulations we would like to say.

Rev. Wicks of Minden Gospel Church conducted a very impressive service in the chapel Tuesday. We thank him for coming and also Fred Ballard, who played the music.

Tuesday afternoon we played the quiz game again. I was on the A team but we didn't win.

Congratulations to Ruby Lewis who went home to celebrate her birthday and just came back today. Edna Cowan is back home again after a week's holiday. Her room mate Lily Hogg was quite lonely while Edna was away.

Wednesday night was Earl Cooper's night to supply the music and he did it up in style; we haven't been so entertained in a long while. Cathy was on the piano, and Earl with fiddle and mandolin, and then the Scottish dancers they came marching in, all dressed up in kilts and all, and danced up and down the room and really had a ball. It made us think of days gone by with their quick and lively step; they danced so lightly on their feet they really had the pep.

Members of the Haliburton Salvation Army came down to visit us on Valentine's Day. They not only brought and served a lunch but came to sing and play. Captain Guy Bowmer plays the accordion and sings with a nice soft voice. His

wife Linda has a nice voice too. They played and sang some good old numbers and real some scripture lessons. We had a social time together, all the way through.

Friday afternoon was singing time. I did a selfish thing. I didn't attend because I had a bad cold and couldn't sing. Friday night was our formal dinner; prepared by our expert cooks, and served by our expert waiters, it surely was a winner. When the dinner was over, and the dishes cleared away, we were entertained by the Mary Poppins play. From start to finish everything was popping; they all did their parts

so well, hardly ever stopping. All the workers worked so hard to make this night a success. They were well rewarded and truly blessed.

The Human Touch 'Tis the human touch in this world that counts, The touch of your hand and mine, Which means far more to the fainting heart Than shelter and bread and wine; For shelter is gone when the night is over And the bread lasts only a day, But the touch of the hand and the sound of the voice sing on in the soul always.

Did you know?

By BAMBI GILDER

Did you know...that the Addiction Research Foundation has introduced an easier way for you to get answers to your questions about alcohol and other drugs?

This new system is called Dial-a-Fact which is a series of factual, scientific telephone messages concerning alcohol and drug topics. They are four to six minutes long, can be listened to in the privacy of your own home or office and as often as you wish.

Simply call the toll-free number, 1-800-387-2916 and ask to hear any of the audiotapes listed in the folder by code number. This folder can be obtained at our office and is free of charge.

In addition to this folder, your County Information Centre has a wide variety of pamphlets consisting of reliable literature designed for the general public relating to this and much more, including social, health, governmental and environmental subjects. Our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m. and

we are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton.

Did you know...that if you should need any assistance in filing your Income Tax Return, we have a number of volunteers who would be glad to help you out and will come right to your home, free of charge?

Simply call your County Information Centre at 457-2733 and we will set you up with a volunteer who lives close to your home. These volunteers have just recently attended an Income Tax Clinic, therefore, have been made aware of the major changes in the 1984 guide and are qualified and reliable.

Please keep in mind that we are here to help people of all ages find solutions to problems and answers to questions concerning social, health, governmental and environmental subjects. Our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m., and we are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton.

District News

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER

Wilberforce News

By WINNIE SCHOFIELD

The recent weekend at Camp Adelaide by members of the Girl Guides, Brownies and Pathfinders had its ups and downs. Ideal weather conditions permitted snow shoeing and other outdoor activities to be enjoyed and these combined with programs for indoors resulted in the girls earning some badges. They were lucky to have Donna Burroughs on hand to serve as cook. The theme of the outing was "Celebration". This is the 75th anniversary of the Guides of Canada. A happy surprise was the arrival of Clare Werner whose mother had driven for six and a half hours from their new home in the States so that Clare could join her friends at camp. Clare is now a member of the Chautauqua Pack in the USA. A great deal of camaraderie at guide camp is inspired by group singing. A strong leading voice carries everyone along and promotes good fellowship. Mary Barker, always dependable with her good humour and hearty voice, became speechless with an attack of laryngitis. They say that things just weren't the same without her support but they carried on and counted the weekend one of success. The South Algonquin Kinsmen made a very generous donation to the Girl Guide Club. This was very much appreciated by the Club leaders who were in need of funds.

This is great weather for reading. A book exchange had brought new books to the library. There is a good variety of reading topics available for all age groups. Coming up in March is the Syrup Festival and the library staff would appreciate any of your discarded household articles for their flea market table. Money from the sales helps with the fun and activity night entertainment for children. Please drop off articles at the library or call Donna Herbert at 448-2991.

It was ladies bonspiel day at the curling club, a once in a lifetime affair when the men looked after all the boring details attached to meal preparation and serving and the ladies relaxed, did some curling and enjoyed a superb meal served up by the men. The club room was

crowded with visitors from Peterborough and other out-of-town spots who were the overflow of those attending the weekend hockey games.

The Monmouth Figure Skating Club is planning a Carnival night of entertainment for March 23 when they will be presenting a great show "Melodies on Ice". There is great excitement in the club these days with everyone getting ready for the big event, under the capable instruction of teacher Judy Barras. Volunteers are needed to make props for the show.

Coming soon is the annual Snowmobile Rally held at Tory Hill. It takes place on March 2 beginning at 1 p.m. Following the snowmobile run a spaghetti supper will be served at the Tory Hill Recreation Centre starting at 4:30 p.m. In the evening a dance will be held at the Lloyd Watson Centre with Doug McCrea in charge of the Country and Western music.

The fourth annual Gary Agnew Memorial Tournament was, once again, a successful event. This tournament, held February 16, featured eight teams from Apsley, Bancroft, Oshawa, Norwood, Wilberforce and three Peterborough area teams (St. Johns, North Minster and Mark Street). The results of the first four games are as follows: St. Johns 10, Wilberforce 2; North Minster 6, Apsley 2; Mark Street 3, Norwood 1; Oshawa 4, Bancroft 2.

The results of the semi finals are as follows: Apsley 6, Wilberforce 2; St. Johns 6, North Minster 0; Norwood 0, Bancroft 3; Mark Street 3, Oshawa 1.

The finals found Bancroft the winners of the Consolation (they won over Apsley with a score of 4 to 3) and St. Johns were the winners over Mark Street with a score of 8 to 1 for the A Championship.

Norland Natter

By KELLY GRAHAM

Hi, Well, winter is almost finished. At least March is almost upon us and that is a month that traditionally signifies the end of winter. Let's keep our fingers crossed.

The weather we have had in the last few weeks certainly hasn't been an indication of spring. The brutal freezing rains caused many cancellations including last week's euchre game. The Mr. Dressup concert scheduled for February 13 has been postponed until the 25th. While we were all hoping desperately, the weather didn't cause any of us students to get a day off school.

For those of you in the area who are dog owners it's time once again to purchase your dog tags. The tags may be picked up at the township office for a small charge.

On Thursday, February 21 at the Burnt River Somerville Centre there will be a meeting to stop the closing of the Northern Schools.

The name of the winner of the hockey pool last week was not available.

The family of Gordon and Joyce Kay of Norland invite their relatives, friends and neighbours to join them in celebrating their 40th wedding anniversary on Sunday, February 24. The Kays' home is located on Deer Lake Road, west on the 503. Visitors are welcome from 1-4 p.m. and 7-9 p.m. Best wishes only please.

Doris Winchester visited our community hall last week to show slides on the benefits of CatScan. Those of you who wish to make a donation towards the CatScan can call Dorothy Brown, 454-3458, Rotha Bryant, 454-3371, Do-reen Barker, 454-3607 or

simply leave a cheque at the township office.

A Coboconk Area Trade Association has been formed. The Co-Ro-No Group has great plans for businesses in the area including 11 promotional week-ends next summer to entice tourists to our area, some of which will be held in Norland. Memberships are available to local businessmen for only \$50. The number to call is 454-1400.

Dorset News

Intended for last week

By PHYLLIS BRISCOE

"People are a lot like tea bags; they don't know their own strength until they get into hot water."

Everyone says, well, it's winter and we have to expect it. Expect it maybe, but like it? The deep freeze we have been in for some time can't be enjoyed by most. It curtails any pleasure jaunts to get a bit of exercise as I am sure one's cheeks would freeze. The temperatures haven't been that low, but low enough, and the cold east winds have made the wind chill factor very low, so the moral of the story is not to spend much time outside unless really necessary. We didn't even have a January thaw to make a break in the long cold spell. Cheer up, it can't last forever.

A well attended baby shower was held at the home of Mrs. Murray McEachern, Paint Lake, last Wednesday evening. The shower was in honour of Donald Andrew who arrived last December 10, the first bundle of joy for Andy and Val McEachern. The young fellow received many lovely gifts after which a meal was served by the co-hostesses Ruth Ross, Jan Jones and Penny Drebit.

thing is back to normal very soon.

The Dorset Senior Club had an enjoyable experience last Wednesday when they were entertained by George and May Moore at their beautiful home on Kawagama Lake. After being served a lunch the beautiful view across the lake was admired from their picture window. There were also a great many birds of various types at the feeders on the deck which overlooks the lake. There was a video tape of the Hawaiian Islands shown which was very beautiful and enjoyable, showing various islands with their beaches, coloured flowers in profusion, some native dances and of course the beautiful girls dancing in their colourful native costumes. It was a beautiful day for a drive and everyone enjoyed a delightful time and appreciated the hospitality of May and George Moore.

In 1908 Sir Robert Baden-Powell founded the organization of Boy Scouts and in

1910, with the co-operation of his sister, Miss Agnes Baden-Powell, founded the Girl Guide movement, after a spontaneous demand from the girls themselves. This being the 75th anniversary of the movement there are many celebrations taking place throughout the country. In Dorset there will be a rally at the Dorset Community Centre on Friday, February 22 at 7 p.m. Anybody who has been a Girl Guide or has had any connection with the movement is welcome to come and participate in the event. The rally will be followed with a bonfire across from the Centre. If anyone saved their Christmas tree it would be appreciated if you could deliver them to the fire station and just leave them outside and they can be used to help build the bonfire.

H.H. Breeding will cling to chops, chicken, etc., if you bread a few hours beforehand and refrigerate until ready for cooking.

Drop in Centre news

By KATHERINE McMAHON

This week has been an exciting introduction to working here. Tuesday I attended a workshop in Toronto entitled 'Motivating the Older Adult'. The workshop featured Elaine Baillie, presently a Life Enrichment Consultant with the Ontario Association of Homes for the Aged. Her presentation centred around slide and film presentations interspersed

with participatory discussion periods.

Watch for the announcement of our Spring Programs to commence the week of March 18, 1985. If you have an activity that you would like to see offered, please drop in and discuss it with me. Ideas are always welcome.

Come out and enjoy our card parties at 1:15 p.m. Monday - Bridge, Wednesday - Euchre, and Friday - Cribbage.

**THE COUNTY OF HALIBURTON
KASHAGAWIGAMOG LAKE ROAD
[County Road #18]**

THE COUNCIL OF THE COUNTY OF HALIBURTON PROPOSES TO PASS A BY-LAW AUTHORIZING:

- 1) The removal of the existing structure on County Road #18, located in Lot 19, Concession 2, Township of Minden being described as M.T.C. site No. 040-0035.
- 2) The construction of a new box beam type structure in Lot 19, Concession 2, Township of Minden at the narrows between Kashagawigamog and Canning Lakes along with the required approach works of clearing, grubbing, gradings, granular base and paving thereof; to provide a two lane structure and approaches.
- 3) The Municipality herein further authorizes the closing of said County Road #18, South Kashagawigamog Lake Road, on either side of the bridge site during the period of removal of the existing structure and the construction of the new structure.

The Council of the County of Haliburton will hold a meeting at 10:00 a.m. on the 20th day of March 1985 in the County offices, Newcastle Street, Minden, Ontario at which time they will hear in person or his counsel, solicitor or agent, any person who claims that his lands will be prejudicially affected by the by-law and who applies to be heard to the County Clerk by Tuesday, March 19, 1985.

Information with regard to the above proposed work may be obtained at the office of the County Engineer (telephone 705-286-1762)

DATED at Minden Township this 18th day of February 1985.

County Engineer.**

Coboconk News

By SHEILA LAKE
This column will likely be called a "gloom and doom" report but here goes!

The Bexley Fire Department responded to two fire calls this past week. First, on Thursday evening around supper time, the department received a call to the home of Werner Dacks on the Hergill Road. A snowmobile was on fire in a garage. The firemen soon had things under control. Friday at about 10:30 a.m. the fire department received a call from the Bromley home (the former Jack Baker property) on Baseline Rd. This was a chimney fire and there was little or no damage.

Two little folk are doing well at home after hospital stays. They are Ann and Edgar Fildey's little girl, Barbara, and Gail and Jim Kay's son, Josh. The youngsters are doing well at home.

Late Wednesday night or early Thursday morning, a former Coby resident, Alex Grozelle died. Alex and his wife Rachel have lived at Bowmanville for many years now. The funeral was held at Bowmanville on Saturday, February 16, with spring interment in Pine Grove Cemetery, Norland. Sympathy goes out to his niece, Gwen Barkwell, who lives here and a sister, Violet Greer as well as relatives in the Norland area.

Millie Routley was admitted to Ross Memorial Hospital last Sunday, the 10th and has been very ill. Millie is the wife of Sam Routley, and is the lady who perhaps have seen busy shovelling snow at the bottom of our street. Never ill, always active, it's unbelievable that our neighbour should be so ill. Get well soon, Millie.

Also, back in hospital is Ethel Farrow, and Gordon Timleck, and Frances Grant (Mrs. Alex Grant) is also a patient in Ross Memorial Hospital. Remember the sick in your prayers and how about a card of cheer?

Bob Callan is back from Sunnybrook hospital, staying with daughter, Gail and husband, Earl Winterburn.

Bill Nesbitt of Moncton, New Brunswick visited his mother last weekend and attended the funeral of his father-in-law Clyde Dickson at Oshawa.

The sleigh rides at Balsam Lake Provincial Park last Sunday were enjoyed by many people. The weather was just perfect, lots of sunshine, milder temperatures and lots of snow. It was reminiscent of the good old days to see the big horses pulling the sleighs with a load of happy folk aboard.

What big secret does the former IGA premises hold? The windows are all covered to prevent "peeking" and there definitely was some construction going on behind the barriers. Owner of the building, Bill Shields isn't divulging any info - but I'm sure we will all be happy to see the empty space again being productive and a hive of activity as in the past.

How about a thought for the day? I will not worry about tomorrow, I will make today count. I will help every person I meet, I will keep my heart pure. I will renew my energy each day. I will act upon my dream.

Because of storm warnings and wet snow, the Seniors card games were cancelled last Tuesday night.

I enjoyed a visit and lunch with my aunt, Mrs. Ada Irwin in Lindsay last Saturday.

Mrs. Fanny Richman enjoyed her 83rd birthday with visits from her daughter, Mr. and Mrs. Herb Fell of Coldwater and other friends.

Congratulations to Gordon and Joyce Kay who celebrate their 40th anniversary next weekend. Relatives of Mrs. Jim Everson (Dawn) attended a baby shower held for the newly expected little one, at the Presbyterian Church at Kirkfield on Monday evening. Her mom, Marie Rutter, her grandma, Ruth Rutter, great aunt Cora Lake were among those attending.

Ed Fajar reaches for his wallet at a bake sale sponsored by the ladies of the Eastern Star Saturday morning. The event is a carnival tradition, and the goodies are always snapped up quickly.

West Guilford News

By E. COOPER

Bob and Mary Barry have a couple of very entertaining guests in their home these days. Their daughter, Pat's children, Joel and Rachel Hicks from Oshawa are with them while their parents are holidaying in Florida.

On Wednesday evening Joy Fielding and Elva Cooper joined the group of musicians and dancers who entertained at Hyland Crest. Their visit was appreciated by the residents as much as the official entertainment in the evening.

Annie Jones and Blanche Linton were guests of Della Currie's at Hyland Crest's anniversary dinner last Friday evening.

Rick Sanberg of Church Army was guest speaker at

St. Andrew's Church on Sunday.

Congratulations to Wes Stata on his top notch bowling in the Lindsay tournament last weekend. Best

wishes for success in the coming games in Oshawa.

Holly and Sylvia Sisson's daughter, Juanita, of Calgary, is visiting her parents for a couple of weeks.

Gooderham News returning in April

Editor's Note: The Echo's Gooderham area correspondent, Mary Hadley has escaped Haliburton's winter weather for sunnier climes, and since she reports that temperatures have been in the high 70's to low 80's since her arrival in Florida, who can blame her? Happily, she says she will resume her weekly column late in April. We look forward to her return.

Kinmount Korner

By MILLIE MOSS

Thank you June Cooper for your very thoughtful phone call and welcome home to you and your husband following your six week holiday down south.

I hope you ailing folks are well soon; Bill Moss Jr., John Pyke, Flo Jopling, Joan Hyams to name a few.

The work toward the beginning of the Navy League Cadets is showing results. Boys and girls 10 to 13 years of age are invited to join from Kinmount, Kirkfield, Norland and Coboconk. All officers have been installed along with a secretary and treasurer but a Wrenette officer is still needed. Meetings will be each Tuesday at 7:15 p.m. Uniforms are free. You will learn all about knot tying, boat work, sailing, seamanship, swimming and enjoy movies, dances, darts, and outdoor games. It sounds good to me, so, all you kids who say you have nothing to do, here's your chance! If you wish any further information call Sid Thomas at 454-3724. I'm glad to hear Pat Munro is feeling much better this week.

If any of you are interested, man or woman 18 years of age up, an introduction in first aid will be starting at the Burnt River Community Centre by the Somerville Township Fire Department. Time and dates will be announced here soon. There is no charge for the course and if you wish to have further information you may call Reg McCluney at 488-2065. This certainly sounds like something we all should know. I remember a few years back, our daughter had taken a first aid course,

in this case it was St. Johns Ambulance. Anyway, she'd only just finished her course when a few days later at work, a man had some sort of attack and Bonnie was the only one available to help until the ambulance arrived. Another time, at an earlier date, our son Bill was instrumental in saving a man from choking to death on food in a restaurant. I often wonder if that poor man felt the same after having Bill grab him from behind like that.

Also, when we live in an area where there is so much water and in summer so many extra people you never can tell when this knowledge will be the possible saving of a life.

Amy and Larry Coker of Utterson were visitors at the Norland home of Mary and John Pyke last week.

Sympathy to all family and friends of Hugh Dixon of Fenelon Falls who died last week. Hugh was the original owner of the car wash in his town and was a valued friend and customer in our store which was, at that time, directly across the road from the car wash.

I hope to hear both Red Lytle and Millie Routley will be well again soon. Both are very ill in hospital at time of this writing.

Joan Hyams was scheduled for hospital and eye surgery last week but had to cancel when she became ill with flu. Hang in there, Joan, better days are coming.

A surprise birthday party was held for Hilda Chynoweth at Norland Community Hall on February 9. She was roasted by her granddaughter Anne Louise McHale. Lots of Hilda's past was highlighted

(sure wish I'd been there). Happy birthday was sung by her offspring and the offspring's offspring's offspring. Pot luck dinner was enjoyed by everyone and was followed by card games in the afternoon. There were 36 guests present including sisters, brothers, daughters, sons in law, children, grandchildren and great grandchildren. Missing from the occasion was her son Jack and his wife Esther who are presently vacationing in St. Agnes, Cornwall, in the U.K. Now Hilda, your money tree will get you that new rug you've been wanting for so long. Hilda is enjoying house guests: Stephen and Belinda from the north, Della and Hector and family from Orangeville, Sandra and Miles and family from Haliburton, Anne Louise and Dave and family, Lindsay, Janice and Kellie Jo from Hornepayne, Danny Truax from Lindsay. It sounds like you already had wall to wall guests, Hilda.

Get well soon, Phyllis McHale, Kellie Jo, Patrick and Adam.

Hilda, the birthday girl, got away to recover from her weekend by visiting with Sandra and Miles Roberts in Haliburton.

The annual public speaking by pupils of Kinmount Public School hosted by Kinmount Legion will be held early in March. More on that next week.

Stay well and happy, read the Echo, call me at 488-2353 and remember: count your age by friends, not years; count your life by smiles, not tears.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF GLAMORGAN TO CLOSE, STOP UP AND CONVEY CERTAIN PORTIONS OF AN ORIGINAL ALLOWANCE FOR ROAD MORE PARTICULARLY DESCRIBED HEREINAFTER.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, R.S.O. 1980, as amended, that the Township Council of the Corporation of the Township of Glamorgan proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Gooderham, Ontario on Wednesday, the 3rd day of April, 1985, a By-law to close, stop-up and convey to the adjacent land owner the following described lands:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Glamorgan, in the County of Haliburton, being composed of Part of the Original Allowance for Road along the Shore of Gooderham Lake (Pine Lake) in Front of Lot 26, Concession VII, in the said Township of Glamorgan, being more particularly designated as Part 1 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-3224, and which Plan of Survey was made by Paul Wilson, O.L.S., dated September 28th, 1984 and is available for inspection at the Township of Glamorgan offices, Gooderham, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at the meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Glamorgan shall then and there hear in person or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at Gooderham, Ontario this 4th day of February, 1985.

ELVA V. BATES, A.M.C.T.

Minden News

By MAIZIE AUSTEN

There will be stock car races on ice at the Minden Fairgrounds on Saturday and Sunday, February 23 and 24 from noon to 4 p.m. Admission is free for spectators.

The Minden Agricultural Society will be holding their monthly meeting on Tuesday, February 26 at the municipal office. Everyone is welcome.

I would like to wish little Scottie Morrison all the best on his operation on Monday, February 25. Have a speedy recovery, Scottie.

Thought for the day: Lightly spoken words will be weighty in the judgement.

Don't forget the Women's Institute's regular meeting at 2 p.m. on Wednesday, February 20 at the Library/Cultural Centre. Ladies are asked to bring an article to be auctioned off to help out on the CatScan.

February 23 will be the last chance to see the exhibit of Andre Lapine and Dr. Agnes Jamieson paintings at the Agnes Jamieson Gallery.

Congratulations to Steve and Betty Fox on the birth of their son Andrew born on February 12.

Last Thursday afternoon's card party winners at St. Paul's Anglican Church were the following: Esther Lee, lone hands; others were Joyce Hewitt (on a cut), Harold Mercer (on a cut), Dorothy Reaman and Joe Dollo.

Household Hint: Coffee or tea - rub liquid detergent containing a few drops of vinegar into the spot and let it soak for one half hour, then rinse in clear water.

Eldon and Lauren McCracken had their daughter Dorothy, son-in-law Allan

and grandchildren John and Janine visit with them last Saturday.

The colds and flu are still making their rounds. I hope all the sick are feeling better soon.

Happy birthday to Anita on Sunday, February 24.

If you have any news for me to include in my column please call 286-3607. Thank you.

Carolyn and Murray Richardson and two children of Oshawa visited Carolyn's grandmother, Mrs. Fred MacDuff of Gooderham. They also had a nice visit with Carolyn's mother Mary MacDuff last Sunday.

As I write this Wanetta Hogg is a patient in the Minden Hospital. Get well soon, Wanetta.

Norman Cowen of Ottawa is on a week's holiday visiting relatives and friends around this area.

Carl Packard of Haliburton dropped in for coffee this morning. The fishermen seem to be having fairly good luck this winter.

Here's a tasty pudding recipe for you this week. I hope you try it and enjoy it. Cottage Pudding: One basic 2 egg white cake or one white cake mix. 1 1/2 cups brown sugar, 2 tablespoon cornstarch, pinch of salt, 1 1/2 cups water, 2 tsp. vanilla, 2 tbsp. butter. Put brown sugar in pan with about 1/2 cup water. Let boil until taffy like, then add 1 cup water and boil again. To this add butter, vanilla, salt and cornstarch to thicken. Cut cake in large pieces, and pour sauce over each serving.

Charlie Palmer is a patient in the Minden hospital again. We hope you are feeling better soon, Charlie.

The Youngdale children built this snow bear at the home of their grandparents, Mr. and Mrs. Glenn Austin, and it won top prize in the sculpture contest

held in conjunction with the Haliburton Winter Carnival.

Agricultural News

By MARK LEAHY

Genetics in the dairy herd is the topic of a series of seminars being held in the area. These seminars are sponsored by United Breeders Inc., Ontario Holstein Association and the Ontario Ministry of Agriculture and Food.

The seminars will be held at the Uxbridge Arena on Wednesday, February 27 and at the Rockhaven Motor Hotel, Peterborough, on Thursday, February 28. The program runs from 10:00 a.m. to 3:00 p.m.

The program includes "Goals of the Efficient Producer", a breeder panel, "Cow Evaluation and Culling Exercise", and a producer discussing "How I Use The Tools".

Paul Ruth of Omemee will be a member of the breeder panel at Uxbridge.

Enroll now in Red Meat Plan There is still time for beef and sheep farmers to enroll in the red meat program to take advantage of the productivity incentives grants for calves and lambs being born this spring, or for

yearling cattle going to pasture for the summer.

Over 225 farmers in Victoria and Haliburton Counties have already enrolled in the program. Most of these have already received grants for calves weighed last fall, for lambs weighed last spring or for stocker cattle being fed over this winter. A number of additional farmers could become participants this year.

The deadline for enrolling in the red meat plan for cow-calf producers is before the first calves to be weighed are born in 1985. Similarly,

sheep producers are to be enrolled before their first lambs are born.

Farmers who are planning to weigh their yearling cattle on and off pasture this year, must be enrolled before any of the animals are weighed to

Please remember that you only need to enroll once in the red meat program and you are then in it for the balance of the five years. Thus, the 225 farmers who have enrolled already do not need to worry about further enrollment to participate during 1985.

UCW assemble

By WILMA TAMBLYN

The executive members of Lindsay Presbyterian United Church met at Queen St. United Church in Lindsay on Monday, February 11 with Olive McDonald, president, presiding. Mrs. McDonald opened the meeting by reading a poem. Marilyn Huskinson, president of Queen St. United Church Women, extended a welcome to all.

Kathleen Morrison, corresponding secretary, reported that she had received two letters from Marion Sedgwick in Papua New Guinea and one from Don Raffin in Brazil. Florence Harrison, treasurer, gave her report and the proposed budget for 1985.

Dates for the rallies were set. Region 1 will meet at Sunderland on May 2, Region 3 at Cameron on April 25, and Region 4 at Burnt River on May 8.

Discussion followed regarding printing of annual reports for the annual meeting which will be held at Sunderland on March 20. Rev. Lillian Roberts will be guest speaker with the theme this year "Pulling Together". The annual meeting of Conference United Church Women will be held at St. Paul's United Church, Perth on April 2-3.

The president informed the members that Shelley

Wright of Oshawa would be going to Korea in May, and urged that the 25th anniversary in 1987 be kept in mind.

Doreen McAlpine, social issues secretary, led in a short worship service. She stressed the concern we should have regarding the pornography situation, and urged that letters be written to Members of Parliament.

Olive Nye of Bobcaygeon gave a short resume of her trip to Mexico. This trip included men and women from across Canada taking part in an overseas experience for United Church people by living in a hostel and visiting with the peasant people.

Nora Bagshaw, literature secretary, reported that the new study on "The Native People" would be available soon. Pat Parker, supply secretary, encouraged the members to visit shut-ins, particularly during the winter months. Aileen Shier, leadership development secretary, reported a workshop would be held at Cedar Glen on April 22 on "Exploring New Directions for United Church Women" and also reported that different workshops are being held at Five Oaks. Other officers present gave short reports for their respective offices.

The next executive meeting will be held at Bobcaygeon on June 10.

Minden council

from page 2

Housing Corporation for further funding under the Ontario Home Renewal Program.

A statement of remuneration and expenses paid to members of council for 1984 drawn pursuant to Section 243 of the Municipal Act was accepted.

Council confirmed that the original terms of reference established for our Official Plan have been satisfactorily addressed in the final Official Plan which was adopted by by-law on January 24, 1985.

The final petition for subsidy will be made to the Ministry of Transportation and Communications for 1984.

Minutes of the January 31, 1985 meeting of the Planning Advisory Committee were adopted.

Locky Crawford and Brad Gilbert were authorized to attend the upgrading course for backhoe and loader operators, sponsored by the Ontario Good Roads Association, and the terms of Policy No. 4 shall apply.

Mention was made of the following items:
W. Thomas - Notification of rates for advertising in 1985 Travel Guide/Trade Directory. This item was referred to the Promotions Committee for future recommendations.

Ontario Hydro - quotation for streetlight installation on McKnight Drive. This item was referred to the Streetlighting Committee for future recommendations.

Haliburton County Home Support Services - request for financial assistance. The clerk was directed to determine if the County will be supporting this organization in 1985.

Ontario Federation of Agriculture - request for council's support on resisting present policy directions of MNR until agricultural concerns are fully addressed. The clerk was requested to forward copies to the Haliburton County Farmers' Association and the Minden Agricultural Society for input on this issue.

MMAH - acknowledging receipt of our 1985 ONIP application. The clerk was requested to advise this Ministry of our appointment of a Municipal Engineer who will be directly involved with this project.

The following persons were authorized to attend the annual seminar of the Ontario Association of Committee of Adjustment on March 8, 1985, and the provisions of Policy No. 4 shall apply: Richard C. Schell and Bernard Trepanier.

The following accounts were approved for payment: General, \$56,118.01; Water, \$2,907.34; and Sewer, \$4,246.03.

Road Accounts for the month of January, 1985, in the amount of \$33,663.06, were approved for payment.

County Engineer Wm. Obee attended to review with council the final plans for the new Ingoldsbys Bridge. It is to be a two-lane concrete structure having the same clearance as the present bridge. There will be a sidewalk edged by a concrete wall and handrail. Obee confirmed that construction will commence in early April and be completed by the end of June. Council recommended that widespread notice of the required road closure be given since there are so few available alternate routes. Obee confirmed that the existing swimming area will not be disturbed by this project.

The members of council unanimously agreed that a written protest should be made to the federal government regarding the curtailment of the Katimavik program.

from page 5

previous Ministry of Colleges and Universities' forecasts, which the former Minister often used to justify her policies).

The Ontario Schools: Intermediate and Senior Divisions (OSIS) curriculum "double cohort" will create problems, and the Minister should make plans now.

The Commission supports the Robarts Commitment to accessibility -- i.e. a place for every qualified student somewhere in the system. The former Minister repudiated this commitment last fall saying a place in university or college for every qualified student.

Province-wide exams for all university entrants in English (or Francais) and Math, to be used with school marks in determining admissions.

Regional needs should be a factor in a university's admissions policy.

Accessibility should be improved for: Mature Students (over 25), Women, Franco-Ontarians, French Immersion High School Graduates, Northern Ontarians, Native People, Persons socially and economically disadvantaged, and Handicapped people.

No differential fees for out-of-province students, and a federal subsidy for visa students' differential fees.

No closing of any professional faculty.

No government intervention to respond to manpower demands (or lack of).

The universities' problems of adaptability and innovation stem from the government's funding formula, and not from any inherent flaw in their structure or administration, therefore modify and adapt the formula to provide desired incentives.

No undergraduate faculty in any university should be shut down.

There should be no government mandated "specialization", as the universities are already appropriately specializing. There is no need for an operational plan to provide for "differentiation", as the universities are already significantly "differentiated".

FEBRUARY

February, heart of the winter's hold. This is the time of ice and snow and cold. High piling drifts, a perfect paradise Of beauty, for the beauty-lovers' eyes. And this, the all too icy blast Won't daunt the sport enthusiast. But what a different story 'tis to us Who view chill winter's glory with disgust. We, who find winter quite devoid of charm And hasten to a haven where it's warm. We will return, this promise truly meant, But only when the weather's more clement.

By H. Jean Brown
Florida, Toronto, Haliburton

Report from Parliament

from page 5

entrepreneurial potential of students will be developed this summer by supporting provincial initiatives which provide them with loan guarantees or loans to start summer businesses.

3. Federal Departments and Agencies-Career Related Jobs for Students (\$24.2 million): Federal departments and agencies are being challenged to create career related summer jobs for students from within their existing financial resources. As a transition measure, \$10 million is being made available to assist them in meeting student hiring goals. Two measures also being provided are: Cadet and Reserve Training Programs (\$13 million): Operated by the Department of National Defence, these programs provide students with training and work experience in a monitored environment under responsible leadership. Supernumerary Special Constable Program (\$1.2 million): Operated by the RCMP, this program hires students as special peace officers and provides training and experience in law enforcement.

4. Work Orientation Workshops (\$0.5 million): Pilot projects in the form of summer workshops will provide disadvantaged in-school youth and potential school-leavers with guidance on their future participation in the labour market.

5. Canada Employment Centres for Students (\$13.6 million) and Native Internship Program (\$2.4 million): Canada Employment Centres for Students, part of the national Hire-A-Student campaign, will operate again this summer to provide students with advice and a referral service to help them find summer jobs. The Native Internship Program is designed to increase summer employment opportunities to Native students in various facets of Employment and Immigration operations allowing them to gain an understanding of how the federal bureaucracy works.

6. Business Drive for Jobs (\$1.3 million): An initial effort will be made this year to encourage leading corporations and business organizations to promote the hiring of students.

I urge all employers and employees to contact their local Canada Employment and Immigration Centre immediately to take advantage of any of these very beneficial programs.

COUNTY OF HALIBURTON

TENDERS FOR INGOLDSBY BRIDGE CONTRACT NO. 1985-40-0035

SEALED TENDERS, clearly marked "Tender for Contract No. 1985-40-0035 will be received by the County Clerk-Treasurer until 4:30 p.m., (Local Time)

Wednesday, March 13th, 1985

for the construction of an 84 foot span, prestressed box beam bridge located on County Road No. 18 (South Kashagawigamog Road) between Canning Lake and Kashagawigamog Lake, in Lot 19, Concession II, Township of Minden, County of Haliburton, approximately 1 km southeast of Highway No. 121.

The approximate major quantities are as follows:

- Steel tube piles	1,470 l.f.
- Concrete	450 cu.yd.
- Reinforcing Steel	30 tons
- Prestressed Box Beams	691 l.f.

Plans, Specifications and Form of Tender may be obtained at the Consultant's Office in Bracebridge upon payment of a twenty five dollar (\$25.00) non-refundable fee made payable to the Consultant.

Prospective bidders are advised that work on this Contract will begin on April 2nd, 1985.

Plans, Specifications will be available for pickup after February 22nd, 1985.

Each tender must be accompanied by a certified cheque in the amount stipulated in the tender documents and the successful bidder must provide a Performance Bond in the amount of 100% of the total tender, with the executed Contract Documents.

Lowest or any tender not necessarily accepted.

Tenders will be opened at 7:00 P.M. (Local Time) on March 13th, 1985.

THANK YOU

The family of the late Jim Roberts would like to thank everyone who sent flowers, food and made donations. Special thanks to Rev. James, Dr. Good, Dr. Abrahamse, Extending, Haliburton Red Cross Hospital, and the Gordon A. Monk Funeral Home for their kindness and excellent service. 27-P-20

A sincere thank you to all my relatives, friends and neighbours for the cards, visits, gifts and telephone calls I received during my recent illness. Your thoughtfulness is deeply appreciated. **Florence Taylor Wilberforce**, Ont. 27-P-20

We would like to express our thanks to the "South Algonquin Kinsmen" for their very generous donation towards our winter camp. You may be small in numbers, but you're very big in heart.

The Leaders of the First Wilberforce Guides, Brownies and Pathfinders 27-P-20

The ladies wish to thank the "Macho Men of Monmouth" for the terrific job they did at our first Ladies Bonspiel. "You're the best." 27-P-20

Ellen Knight and family would like to thank all those who made her 100th birthday celebration such a happy occasion. Many thanks for all the beautiful cards, the lovely flowers and gifts. The dainty tea served by the Hyland Crest Auxiliary was enjoyed by all. Thank you, especially Mrs. Blears who organized it. A very special thank you to all the staff at Hyland Crest Home - not only for the extra attention given on this special day but for all the gentle loving care and concern given over the years that have enabled me to reach this happy milestone. A special thanks to Doctors Lodenquai, Pierce and Belch who with their skills have helped me maintain my present health. Thank you so much. **Ellen Knight and Family** 27-P-20

Memorial donations to the Ross Memorial Hospital, Lindsay, would be appreciated by the family. 31-CA-20

IN MEMORIAM

PEARSON, Eleanor - In loving memory of a dear mother and "Nana" who was taken to her Heavenly Home on Sunday, February 19, 1984. For Jesus said, "I have gone to prepare a place for you".

Though her smile is gone forever, And her hand we cannot touch, Still we have so many memories Of the one we loved so much. Her memory is our keepsake, With which we'll never part; God has her in His keeping, We have her in our heart.

Always remembered, always loved. Rick, Nada, Amy, Sarah and Rebecca. 32-P-20

BIRTHDAY MEMORIAL In loving memory of my mother, **Minnie May McKnight Nesbitt**, whose birthday was January 27, and promoted to glory March 17, 1968.

It's time for your birthday, Mother dear. You would recall if you were here But that last time, as the children and I knelt in prayer at your side I felt His divine presence, and knew the coming of that eternal tide. As I look at the old home and the original one while young you owned Nothing's the same ever Mother, you are gone and sometimes I feel so-o-alone. But you always said "Look up unto the hills I remember well, and now know Before your passing, Gertie and Olive went you before And many loved, waiting there still Safe in the arms of Jesus, faces all aglow. In memory and in prayer I see your loving face And often think of you reaching for the Bible or saying the Grace And singing Rock of Ages, or what a Wonderful Saviour is Jesus, my Lord; Your life was proof before me That He would surely keep his word. Your works follow you dearest Mother And your desire to be all in ("Saved") You are at peace with the Saviour

Continued

IN MEMORIAM

Continued No more tears or pain or sighing or heartache and strain. So at twilight as I sit and think of you How you walked with the Saviour and counselled us too. I take down my Bible, seek my Lord in prayer And play the organ and seek lost souls till I meet you up there.

Sadly missed, always remembered by daughter Blanche. 32-P-20

Dysart et al council

A regular meeting of Dysart Municipal council was held in the council chambers, on Monday, February 11. Present were: Murray G. Fearrey, Gary McKnight, Lloyd Leadbeater, R. Glen Hodgson, Dorothy Baker, Howard Roberts, and Wayne B. Wood, Clerk. Absent were Sidney Cooper and John Parish.

General Accounts totalling \$242,593.02, Road Accounts totalling \$64,636.97, and Social Services totalling \$18,685.38, were approved for payment.

Council concurred with the request of the Rotary Club of Haliburton to hold their Winter Carnival Dance, Saturday, February 16, 1985.

An application for Amendment to Zoning By-law on Part of Lot 9, Concession IV, Township of Dudley, lands of Rainer Eklund from Rural to Seasonal Residential was approved.

The clerk was authorized to sign the service agreement on the Xerox copier and return their copy at the earliest possible date.

The resignation of Irene Roberts as Caretaker, Municipal Building and Library was accepted with regret.

An application for an amendment to the Official Plan by Gary F. Vasey-Guilford Township from Conservation to Secondary Resort was approved.

An application for amendment to the Zoning By-law on Block A, Plan 438, in the Township of Dysart - lands of Michael Easton from Open Space to Residential Type 2 was rejected.

An application for amendment to the Zoning By-law on Part of Lot 27, Concession II, Township of Dysart, lands of Iwanna Stelmach from Rural to Open Space was approved.

The reeve and clerk were authorized to sign the transfer and grant of easement to Ontario Hydro regarding the closure and conveyance of the Original Allowance for Road abutting Lot 1, Plan 394, in the Township of Dysart (McKee).

The clerk was authorized to sign the new

agreement with the Canadian Red Cross Home-makers Service for the period February - December 1985 at \$7.70 per hour.

The reeve and clerk were authorized to sign the Fire Agreement with the Township of Monmouth to provide Fire Protection to the Township of Harcourt for 1985 at \$3,000 stand by fee plus \$200 for the first hour and \$100 per hour thereafter.

Council had no objections to the British Empire Motor Club having a 450 mile point to point, Winter Rally, and travelling on various routes within our Townships, on February 16 and 17, 1985, provided the club has notified all concerned including OPP detachments.

An application for amendment to the Official Plan by Rexford Grace Co. to permit the development of a mobile home park was approved.

An application for an amendment to the Zoning By-law by Rexford Grace Co. from Rural to permit a mobile home park and a highway Commercial Zone was approved.

The quotation of A.E. Blanchard for service upgrading at the Library was accepted.

The reeve and clerk were authorized to sign the deed accepting title to the short section of roadway on Plan 19R631 - Pt. 2, Pt. Lot 16, Con. 2, Harcourt (Harry Scott).

The Union Agreement between Dysart and Local 2142 was ratified as per the Memorandum of Agreement signed January 28, 1984.

The March council meeting was changed from March 11, 1985 to March 4, 1985 at the Municipal Buildings - Haliburton, commencing at 9:00 a.m.

Council recognized the encroachment of Bruton Holdings Limited of their front steps onto Highland Street by 12".

The Clerk was authorized to order a Fire Works Selection for the 1985 Spring Fling (May 26, 1985).

Monmouth minutes

Monmouth Township council held a regular meeting on February 11.

Visitors included John Finlay, observer; W.H. (Bill) Wilson, Fire Services Advisor Office of the Fire Marshal; Brent Clarkson and Robert Young, Bear Lake area residents concerning fire protection from the Glamorgan Fire Department; Fred Taylor and Max Walsh of Monmouth Volunteer Fire Department concerning an addition on the old fire hall.

Jim Deterling declared a pecuniary interest on cheque number 2646 issued to his sister Pat Jorden for care-taking and then the following accounts were paid: General Voucher of \$27,565.42; Welfare Payroll of \$2,121.28; and Roads Voucher of \$14,757.30.

Council will apply to the Ministry of Transportation and Communications for supplementary funding for a two way sander dump box in the amount of \$16,000.

By-law 85-1, a borrowing

by-law, was passed.

Council filled vacancies on boards as follows: Recreation Board - Sharon Stoughton, Jim Deterling, Frank DeCarlo, Eric Saunders, and Bob Manary. Fire Wardens: Irene Somerville and Mel Croft Fence Viewer and Pound Keeper, Weed and Trench Inspector - Carmen Lee.

Minden council endorse pay

Minden councillors endorsed a statement of remuneration last Thursday which shows the five members were paid a total of \$21,650 for their work on behalf of the municipality in 1984.

Reeve Lyle McKnight was paid \$4,330 for serving as head of the municipality, and also received \$1000 in expenses.

Deputy reeve Ed Pergolas was paid \$3,720 for his responsibilities, as well as \$750 in expenses and an additional \$300 for sitting on the planning advisory committee.

Councillor Dave Stevens received compensation of \$3,200 for his council responsibilities and \$550 in expenses.

Councillor Pat Burk was paid the council stipend of \$3,200, as well as \$550 in expenses and \$300 for serving on the planning advisory committee.

Councillor Gary Kenney was paid \$3,200 plus \$550 for expenses.

The amounts reflect regulations contained in municipal by-laws 81-20, 82-14 and 84-14.

Park plan to be updated

from page 2

that funding a municipal wildlife park would be "something new."

Cost of the park plan update could be met from the parks reserve fund, Sisson indicated.

One aspect of the update would be to decide where the HCSA's ATV track should be developed.

Councillor Dave Stevens suggested it should be moved to the Scotch Line dump lands north of the community, but councillor Pat Burk said the purpose of the races, to bring people into the community, could be defeated if it was located too far from the business core.

Council did not set a specific time for the update to be completed.
